

Label & Label location

FortiSwitchRugged 112F-POE
Model No.: FSR-112F-POE
Serial No.: SR12FPTYYS555555

MAC Address: xxxxxxxxxx

Input:
12-57Vdc $\approx$ 2.05A max (x2) for Non-PoE output
50-57Vdc $\approx$ 5.3A max (x2) for PoE output
52-57Vdc $\approx$ 5.09A max (x2) for PoE++ output
PoE output: 57Vdc max, 1.8A max, 90W max per port
Total PoE power budget: 240W

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CAN ICES-003 (A) / NMB-003(A)
この装置は、クラスA機器です。この装置を住宅環境で使用すると電波妨害を引き起こすことがあります。この場合には使用者が適切な対策を講ずるよう要求されることがあります。V C C I - A
